better water. pure and simple.™

Demand the Great Tasting, Quality Drinking Water You Deserve.

Leading a healthy life is a conscious decision—one that you need to work at on a daily basis. To help you feel and perform at your best, various health experts recommend drinking at least eight glasses of water every day. And now staying healthy and hydrated are easier than ever with the Culligan Good Water Machine® appliance—offered exclusively through your local Culligan dealer.

The Finest in Water Filtration

The Culligan Good Water Machine® appliance's reverse osmosis (RO) filtration method improves the taste and odor of your drinking water and reduces microscopic impurities.† With reverse osmosis, water passes through an ultra-thin, semi-permeable membrane, which filters unwanted particles, such as sodium and lead. The result is the deliciously clear water you'd expect from the water experts at Culligan®—available in the convenience of your own home, right at your fingertips.

With Culligan®, Getting Clear, Great-Tasting Water Is Easy.

To enjoy the clean, invigorating water provided by the Culligan Good Water Machine® appliance, just call your local Culligan® expert who will professionally install the unit. Ideal for even the largest family, the Culligan Good Water Machine® appliance is a cost-effective solution that will give you and your family great tasting Culligan® water for years to come. Even your kids will prefer the refreshing taste of your new, crystal-clear Culligan® water—a great alternative to sugary drinks.

And don't limit yourself to just drinking the water. Use it for cooking and in a variety of other culinary ways to give you and your family:

- better-tasting coffee, tea and juices
- more flavorful soups, sauces and pasta
- richer baby formula
- clearer ice cubes
- crisper fruits and vegetables

- Available in three (3) different colors: white, chrome and brushed nickel
- Constructed of plastic and stainless steel
- Easily mounts on kitchen sink
- Comes with:
 - Integral lights that indicate water quality (see right).
 - Aqua-Clear® faucet rotary operation
 - Air gap faucet (non-air gap version available for international)

Culligan Innovation and Reliability.

Four-Stage Filtration. Ensures Clear Great Tasting Water.

Automatic Shutoff Valve

Shuts off the system when the reservoir tank is full.

Sediment Filter

Screens out sediments and particles down to 5 microns that cause cloudy water.

Reverse Osmosis Membrane

Reduces dissolved substances such as radium, lead and many others.†

Carbon Filter

A carbon filter reduces elements that cause water to taste and smell unpleasant, including the taste and odor of chlorine.

Manifold Assembly

Houses three separate filter technologies in a unique space saving design.

Reservoir Tank

Durable, high-quality steel tank ensures you'll have a plentiful supply of refreshing water.

Second Carbon Filter

Ensures your drinking water is clear and fresh.

Designer Faucet

Delivers delicious water at the touch of a finger. Available in white, chrome and brushed nickel.

† Consult the Performance Data Sheet for the specific contaminant reduction capabilities of this device.
United Lifetime Warranty on Good Water Machine® (excluding expendable filter cartridge & R.O. membrane)

The Good Water Sentry™ Monitor option continually monitors the RO filter for optimum operation.

- Green means quality Culligan water.
- Red means it's time for a filter change.

The Culligan Good Water Machine® has been tested and certified by WQA and is certified to meet NSF standards for RO systems. (see back for details)

Trust Your Local Water Experts

For over 70 years, Culligan has led the water treatment industry in innovation and service. Culligan products are produced with world-class quality backed by solid warranties** and the most experienced installation and service technicians in the industry.

Your local, reliable Culligan dealer will perform a complimentary, no obligation water analysis and help you choose the system that is just right for your home and family.

Now that's service!

Why Millions Trust Culligan to Deliver the Best Water

- All Culligan products are backed with a 100% Satisfaction Guarantee*. If you're not completely satisfied within 30 days from the date of purchase, simply notify your dealer for a full refund.
- Your local Culligan Man® has a full-line of quality water softeners, filters, drinking water systems and bottled water to fit any need.
- Manufacturing takes place under exacting world-class quality control.
- Culligan products have the industry's most state-of-the-art features because we maintain our own extensive research and development facility. No other water treatment company holds as many patents.
- With over 800 dealers worldwide in more than 90 countries globally, a Culligan Man is just around the corner to make sure you receive the Culligan water you've come to enjoy.
- Your local Culligan Man offers salt delivery, filter changes, financing and more, making Culligan a full-service water treatment company.

The Culligan Good Water Machine® is tested and certified by WQA to NSF/ANSI Standard 58 for the reduction of:

Barium	Radium 226/228	Trivalent Chromium
Cadmium	Hexavalent Chromium	Copper
Selenium	Total Dissolved Solids	Lead

CAUTION: Do not use with water that is microbiologically unsafe or of unknown quality without adequate disinfection before or after the system.

The contaminants or other substances removed or reduced by this water treatment device are not necessarily in your water. Source water exceeding chemical parameters requires pre-treatment.

- Colors Polished Chrome or White

Model	2 Gallon	3 Gallon	9 Gallon
System DPR* to Storage Tank	14.5 (54.88 L)	14.5 (54.88 L)	14.5 (54.88 L)
Efficiency Rating ³	17.9%	17.9%	17.9%
Recovery Rating ⁴	30.8%	30.8%	30.8%

* DPR - Daily Production Rate

Product Production Rate without storage tank to atmosphere¹
 - AC-30 Models 30 gpd (114 L/day)

Ratio of Product to Flush Flow²
 Soft Water Applications . . . 2:3
 Hard Water Applications . . 1:3 - 1:5

¹ Rating at 50 psi, 77°F, 500 mg/L TDS Influent, Without Storage Tank to atmosphere. This is a factory specification for membrane production. Actual production rate and TDS rejection will depend on temperature, water pressure, TDS level, membrane variation and usage pattern.

² May vary with pressure. See Technical Manual for all hard water applications and applications where TDS exceeds 1000 mg/L (ppm).

³ Efficiency rating means the percentage of the influent water to the system that is available to the user as reverse osmosis treated water under operating conditions that approximate typical daily usage.

⁴ Recovery rating means the percentage of the influent water to the membrane portion of the system that is available to the user as reverse osmosis treated water when the system is operated without a storage tank or when the storage tank is bypassed.

Culligan Lifetime Limited Warranty

Culligan Good Water Machine® AC-30 Model Series

You have just purchased one of the finest drinking water systems made. As an expression of our confidence in Culligan products, your drinking water system is warranted to the original end-user, when installed in accordance with Culligan International Company specifications, against defects in material and workmanship from the date of original installation, as follows:

- **For the LIFETIME of the original end-user** **The entire reverse osmosis water conditioning unit, EXCLUDING THE EXPENDABLE FILTER CARTRIDGES AND REVERSE OSMOSIS MEMBRANE FILTER USED IN THE UNIT.**
- **For a period of ONE YEAR** **The Culligan brand reverse osmosis membrane filter.**

If a part described above is found defective within the specified period, you should notify your independently operated Culligan dealer and arrange a time during normal business hours for the dealer to inspect the drinking water system on your premises. Any part found defective within the terms of this warranty will be repaired or replaced by the dealer. You pay only freight from our factory and local dealer charges.

Damage caused by accident, fire, flood, freezing, Act of God, misuse, misapplication, neglect, alteration, installation or operation contrary to our printed instructions, or by the use of accessories or components which do not meet Culligan specifications, is not covered by this warranty.

Our product performance specifications are furnished with each drinking water system. TO THE EXTENT PERMITTED BY LAW, CULLIGAN DISCLAIMS ALL IMPLIED WARRANTIES INCLUDING, WITHOUT LIMITATION, WARRANTIES OF MERCHANTABILITY AND FITNESS FOR PARTICULAR PURPOSE; TO THE EXTENT REQUIRED BY LAW, ANY SUCH IMPLIED WARRANTIES ARE LIMITED IN DURATION TO THE ONE-YEAR PERIOD SPECIFIED ABOVE FOR THE PARTS DESCRIBED IN THIS LIMITED WARRANTY. As manufacturer, we do not know the characteristics of your water supply or the purpose for which you are purchasing a drinking water system. Please understand that the quality of water supplies may vary seasonally or over a period of time, and that your water usage rate may vary as well. Water characteristics can also change considerably if your drinking water system is moved to a new location. For these reasons, we assume no liability for the determination of the proper equipment necessary to meet your requirements, and we do not authorize others to assume such obligations for us. Further, we assume no liability and extend no warranties, express or implied, for the use of this product on a non-potable water source. OUR OBLIGATIONS UNDER THIS WARRANTY ARE LIMITED TO THE REPAIR OR REPLACEMENT OF THE FAILED PARTS OF THE DRINKING WATER SYSTEM, AND WE ASSUME NO LIABILITY WHATSOEVER FOR DIRECT, INCIDENTAL, CONSEQUENTIAL, SPECIAL, GENERAL, OR OTHER DAMAGES, WHETHER FROM CORROSION OR OTHER CAUSES.

CONSUMERS:

Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you. Similarly, some states do not allow the exclusion of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. Consult your telephone directory for your local independently-operated Culligan dealer, or write Culligan International Company, for warranty and service information.
