

CULLIGAN® GOLD SERIES™

Water Softeners

EXPERIENCE THE DIFFERENCE CULLIGAN CAN MAKE.

SYSTEM BENEFITS

- Brighter, whiter and softer wash
- Save time and money with less cleaning
- Sparkling glassware, clean and shiny dishes, flatware, pots and pans
- Spend less money on soaps, detergents, lotions, electricity and gas for your water heater and dramatically extend the life of your water-using appliances!

Culligan®

Culligan Soft Water Means Better Living.

Dissolved minerals in the hard water that enters your house form scale that makes water heaters and other water-using appliances work harder than necessary. From spending too much on laundry detergents and softening agents to constantly battling dry skin and dull, lifeless hair, you need the Culligan Gold Series Water Softener to deliver soft Culligan water throughout the entire house.

Enjoy silky, shiny hair and cleaner, smoother skin. Your baths and showers are a pleasure—the water actually feels better on your skin, and soap rinses right off, leaving you cleaner. Your clothes, sheets and bedding feel good too. Laundry detergent residue rinses clean from your laundry, leaving them soft and smooth against your skin.

CULLIGAN® GOLD SERIES™

Product Specifications

Exclusive Culligan Gold Series Design and Technology

- The Culligan® Soft-Minder® meter options monitors daily water use and activates regeneration only when needed, savings you salt and water.
- The patented, 1" Cul-Flo-Valv® lets you bypass the system for uses not requiring softened water – such as watering the lawn – without losing pressure.
- Exclusive, non-corrosive 5-cycle motorized control valve directs water flow during service and regeneration cycles.
- Cullex® resin provides maximum water softening capacity, stability, long life and is backed by a limited lifetime warranty.
- High grade quartz underbedding evenly distributes water to maximize flow rates.
- The low voltage, fully programmable Accusoft® Plus microprocessor offers easy data entry performance options that can be set at the touch of a button, to meet individual needs. All programming is safe from most power interruptions and surges.
- Guest Cycle™ recharge feature provides an extra supply of conditioned water when there are more people than normal in the home at the touch of a button.

Culligan Exclusive Quadra-Hull® Tank with Limited Lifetime Warranty

- Designed to provide the highest durability in the industry, our exclusive Quadra-Hull Tank has four layers of construction to ensure maximum dependability.

Longer Life

- A Dabl-Safe brine refill control provides assured shut-off and corrosion-proof components for longer life.

System Protection

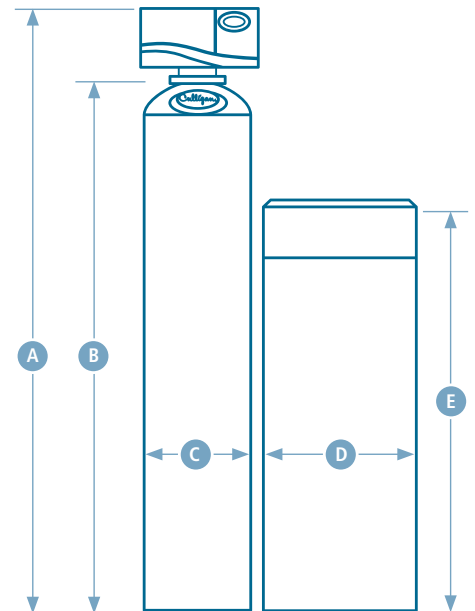

- A non-corrosive brine plate assists in dissolving salt and protects the system from salt impurities.
